All documents for the externship are due as set forth in the syllabus for each workshop, but in no event later than May 10, 2013.

The Basics:

- All externships must be approved in advance by Professor Elayne Berg-Wilion, Interim Director of Clinical Education. Students must register with the Clinical Programs Office by January 25, 2013.
- If you think you are interested in participating in an externship during the spring semester but have not yet secured a position, please notify the Clinical Program Administrator by January 14, 2013.
- If you have a pending or secured externship, you must also attend one of the mandatory orientation meetings as well as a bi-weekly workshop.
- All externships are graded on a High Pass/Pass/Credit/Fail basis. The workshop component is part of the externship course grade.
- Externs can only earn academic credit for work performed. Monetary compensation is prohibited.
- The externship must be secured and officially registered before the hours can begin accumulating toward credit, unless otherwise approved by the Interim Director.
- The Student Performance Agreement is due within the first two (2) weeks of work. You cannot be registered for the externship course until the Student Performance Agreement has been received by the Clinical Programs Office.
- It is the extern's responsibility to submit all required documents on time.

Externship Courses

LAW 315.01. Clinical Law - Judicial Externship (maximum 10 units)

Students develop skills in legal analysis, research, and writing under the supervision of a judge. Externships in trial courts offer an overview of litigation practice and observation of oral advocacy; externships in appellate courts focus on analysis, research and writing. Students must enroll in the corresponding Judicial Workshop, which considers the roles and responsibilities of the different courts and the issues presented by the role of the judge. Workshop required. (600.11)

LAW 335.01. Clinical Law - Criminal Externship (maximum 10 units)

Externships in public agencies conducting both criminal defense and prosecution allow students to assist in almost all aspects of representation. Under the Practical Training of Law Students (PTLS) program of the State Bar of California or a Federal Student Practice Rule, students may be certified to appear in court under the direct supervision of a licensed attorney. In order to be certified students must be enrolled in evidence. However, it is strongly recommended that students complete evidence and criminal trial prep and settlement before seeking certification (visit Calbar.org under “Practical Training for Law Students” for more information about certification). Workshop required. (600.08)

LAW 345.01. Clinical Law-Public Interest Externship (maximum 10 units)

Through externship placements with the various public interest entities in both the public and private sectors, students will explore the role of the lawyer in society, as well as ethics and morality as it applies to law. Students develop their skills in analysis, negotiation, writing and counseling. Workshop required. (600.12)

LAW 355.01. Clinical Law-Entertainment Externship (maximum 4 units)

Students are placed in a variety of preapproved entertainment companies in the television, film and music business, as well as guilds, agencies, and other businesses with in-house legal departments. Workshop required. (600.09)

LAW 365.01 Clinical Law- Government Externship (maximum 10 units)

Through field placements in the government sector, students develop their skills in legal analysis and reasoning, negotiation, interviewing, research and writing. Workshop required. (600.10)

Workshops

Workshops are a required element of each externship. Workshops meet bi-weekly and begin the second week of the semester.

LAW 600.11	Judicial Workshop	Judge Bernard Kamins (Ret.)	Wed.	5-6 pm
LAW 600.08	Criminal Workshop	Commissioner Terry Adamson (Ret.)	Tues.	4-5 pm
LAW 600.12	Public Interest Workshop	Professor Elayne Berg-Wilion	Thurs.	4-5 pm
LAW 600.09	Entertainment Workshop	Professor Roger Cossack	Thurs.	9:10-10:10 am
LAW 600.10	Government Workshop	Professor Elayne Berg-Wilion	Wed.	7-8 pm

If there is a time conflict between a student’s corresponding workshop and another class, the Clinical Programs Office will seek to place the student in a workshop that works best.

Student Information

1. Eligibility. Second and third-year law students with a cumulative GPA of 2.33 or higher are eligible to participate in the externship program. Students with an overall GPA below a 2.33 may be ineligible for participation and must obtain a waiver from the Academic Dean. The Interim Director of Clinical Education must meet each student and approve all externships.

2. Externships. The externship inquiry should begin by meeting with the Interim Director of Clinical Education to clarify the student's goals. Students are advised to view Symplicity and reference directories in the Career Development Office for a list of externships. Private law firms are not approved unless they are nonprofit public interest entities (cf. section 501(c)(3) of the Internal Revenue Code) or the student will be performing pro bono, public interest work, the student is unpaid, and the placement is approved by the Interim Director. New externships may be approved if they provide a significant opportunity not otherwise available, meet clinical educational objectives, and afford adequate field and faculty supervision.

3. Credit. Every 52.5 hours of completed fieldwork earns one unit of course credit. Hours are not accrued during travel time, lunch, breaks, or holidays. Credit can be granted only in 52.5-hour increments; in other words, 104 hours of fieldwork earns only one unit of credit. Each type of externship has a limit on the number of units that can be earned. Exceptions can be made only with the approval of the Academic Dean. Other restrictions may be imposed on new externships as deemed necessary. In addition, no more than 18 non-classroom units may be counted towards the J.D. degree, including journals and competitions.

4. Workshop. Concurrent enrollment is required in a corresponding Judicial, Public Interest, Entertainment, Criminal, or Government workshop. All workshops begin the second week of the semester. If there is a time conflict between a student's corresponding workshop and another class, the Clinical Programs Office will seek to place the student in a workshop that works best.

5. Student reporting requirements. The reporting requirements consist of timesheets, a student evaluation, and journals. Timesheets and the student evaluation must be submitted to the Clinical Program Administrator, and journals must be submitted to the workshop professor. The actual timesheet form and the student evaluation form may be found in this handbook, and the School of Law website. Journal information may be found in this handbook and in the workshop syllabus.

6. Supervisor evaluations. Field supervisors are required to complete mid-term and final evaluations of their externs. The mid-term evaluation is intended to encourage discussion between the extern and supervisor about the externship's direction and progress. The final evaluation is completed by the supervisor alone. The mid-term evaluation and final evaluation forms may be found in this handbook.

7. Further information. For more information, please contact Elayne Berg-Wilion, Interim Director of Clinical Education, by phone at (310) 506-6350 or e-mail at elayne.berg-wilion@pepperdine.edu, or Donna Brabec, Temporary Clinical Program Administrator, by phone at (310) 506-7449, or by email at clinicallaw@pepperdine.edu.

 - Students are not allowed to work in environments where they are not directly supervised by an attorney. If in doubt, consult Professor Berg-Wilion for guidance.
 - It is your responsibility to provide your supervisor with a memo indicating your schedule, the days and times you will work, any time you plan to take off (e.g., OCI or Spring Break) and when you plan to complete your hours.
- 4. Timesheets**
 - The earliest date to record hours for spring semester is January 7, 2013.
 - Timesheets are due weekly.
 - Timesheets must be signed and returned by your supervising attorney, not a paralegal or a secretary.
 - Law clerks in judicial chambers may sign timesheets.
 - Unsigned timesheets will not be accepted.
 - The “Description of Activity” section must be completed. One to two sentences will suffice.
 - Hours are to be reported in quarter increments, i.e. .25, .50, .75.

 - Your professor will give you the topics, which are set forth in the syllabus, on the first day of the workshop.
 - Journals are confidential between you, your workshop professor, and the Interim Director of Clinical Education.

7. Faculty Advisors

- The option of a Faculty Advisor is given to students when approved by the Interim Director of Clinical Education and the Academic Dean.
- Reasons for a Faculty Advisor may be any of the following, subject to the discretion of the Interim Director and the Academic Dean: schedule conflicts or an out-of-state externship.
- Faculty Advisors must be full-time professors and must be confirmed at registration.
- It is your responsibility to meet with your Faculty Advisor in person or by phone at least on a biweekly basis.
- The option of a Faculty Advisor must be approved by the Interim Director of Clinical Education. Documentation will be maintained in the Clinical Programs Office; the office reserves the right to periodically follow up with your Faculty Advisor to make sure all requirements are being met.

8. Evaluations

- It is your responsibility to meet with your supervising attorney to discuss your Mid-Semester Performance Evaluation. The evaluation will be emailed in February.
- The Student Externship Evaluation contained in this handbook and on the School of Law website is due by the last day of classes.
- Your supervising attorney will be emailed a Final Performance Evaluation in April. You need not be present for this evaluation.

9. Grading

- The externship is graded as High Pass/Pass/Credit/Fail basis.
- Grades will be based on attendance, participation, meeting all of the requirements set forth in the workshop syllabus, and supervisor evaluations.
- Students who turn in all of their timesheets, journals, and student evaluations on time (see the deadlines in the workshop syllabus) will be eligible for a grade of High Pass or Pass. However, turning in the documentation described above in a timely manner is only a factor in students' grades. Timely documentation compliance is required for eligibility for grades above that of "Credit," but timely compliance does not in itself earn grades higher than "Credit."
- Students who do not turn in all timesheets, journals, and/or student evaluations by the deadlines stated in the workshop syllabus will not be eligible to receive a grade of High Pass.
- If the timesheets, journals and/or student evaluations are not submitted by their respective deadlines, but are submitted by the last day of class, the student will be eligible to receive a grade of no higher than a Pass.
- Students who have not submitted all timesheets, journals, and/or student evaluations by the last day of class, but submit their missing documentation before the date the grades are due will be eligible to receive a grade of no higher than a Credit.
- Students who have not submitted all timesheets, journals, and/or student evaluations by the date the grades are due will be given an Incomplete until they have submitted their missing documentation, and at that time they will be eligible to receive a grade of no higher than a Credit.
- Students who miss a workshop jeopardize receiving credit for their externships. If it is necessary to miss a workshop due to illness or serious hardship, students must either attend a make-up meeting with the professor and/or complete a make-up assignment ("excused absence").
- Students who have more than one excused absence will not be eligible to earn a grade of higher than a Pass.
- Students who have more than one absence will not be eligible to earn a grade higher than a Credit.
