May 23 is the deadline for registration and Drop/Add, and students may not make any adjustments to their registration, work commitment or credit hours after this date.

Externship Courses

LAW 315.01. Clinical Law - Judicial Externship (maximum 8 units)

Students develop skills in legal analysis, research, and writing under the supervision of a judge. Externships in trial courts offer an overview of litigation practice and observation of oral advocacy; externships in appellate courts focus on analysis, research and writing. Students must also enroll in a Workshop, which among other things considers the roles and responsibilities of the different courts and the issues presented by the role of the judge. Workshop required for first time externs. (600.01 or 600.02)

LAW 335.01. Clinical Law - Criminal Externship (maximum 8 units)

Externships in public agencies conducting both criminal defense and prosecution allow students to assist in almost all aspects of representation. Under the Practical Training of Law Students (PTLS) program of the State Bar of California or a Federal Student Practice Rule, students may be certified to appear in court under the direct supervision of a licensed attorney. In order to be certified students must be enrolled in or have completed evidence. However, it is strongly recommended that students complete evidence and criminal trial prep and settlement before seeking certification (visit Calbar.org under “Practical Training for Law Students” for more information about certification). Workshop required for first time externs. (600.01 or 600.02)

LAW 345.01. Clinical Law - Public Interest Externship (maximum 8 units)

Through externship placements with the various public interest entities in both the public and private sectors, students will explore the role of the lawyer in society, as well as ethics and morality as it applies to law. Students develop their skills in analysis, negotiation, writing and counseling. Workshop required for first time externs. (600.01 or 600.02)

LAW 355.01. Clinical Law - Entertainment Externship (maximum 4 units)

Students are placed in a variety of preapproved entertainment companies in the television, film and music business, as well as guilds, agencies, and other businesses with in-house legal departments. Workshop required for first time externs. (600.01 or 600.02)

LAW 365.01. Clinical Law - Government Externship (maximum 8units)

Through field placements in the government sector, students develop their skills in legal analysis and reasoning, negotiation, interviewing, research and writing. Workshop required for first time externs. (600.01 or 600.02)

Workshops

Workshops are a required element of each externship. Workshops meet bi-weekly and begin the first week of the semester. Students who have already taken and completed an externship and the required workshop or faculty advisor are not required to take a workshop or have faculty advisors for subsequent externships.

Student Information

1. Eligibility. Second and third-year law students with a cumulative GPA of 2.33 or higher are eligible to participate in the externship program. Students with an overall GPA below a 2.33 may be ineligible for participation and must obtain a waiver from the Academic Dean. The Director of Clinical Education must confer with each student and approve all externships.

2. Externships. The externship inquiry should begin by meeting with the Director of Clinical Education to clarify the student's goals. Students are advised to view Symplicity and reference directories in the Career Development Office for externship opportunities. Private law firms are not approved unless they are nonprofit public interest entities (cf. section 501(c)(3) of the Internal Revenue Code) or the student will be performing only pro bono, public interest work, the student is unpaid, and the placement is approved by the Director. New externships may be approved if they meet clinical educational objectives, and afford adequate field and faculty supervision.

3. Credit. Every 52.5 hours of completed fieldwork earns one unit of course credit. Hours are not accrued during travel time, lunch, breaks, or holidays. Credit can be granted only in 52.5-hour increments; in other words, 104 hours of fieldwork earns only one unit of credit. Each type of externship has a limit on the number of units that can be earned. Exceptions can be made only with the approval of the Academic Dean. Other restrictions may be imposed on new externships as deemed necessary. In addition, no more than 18 non-classroom units may be counted towards the J.D. degree, including journals and competitions.

4. Workshop. Concurrent enrollment is required in a one of the Workshops. All Workshops begin the second week of the term. Students who have already taken and completed an externship and the required workshop or faculty advisor are not required to take a workshop or have faculty advisors for subsequent externships. Students in subsequent externships must complete all requisite paperwork, including registration materials, timesheets, journals and evaluations, but should submit all of these materials to the Ms. Brabec, the clinic administrator, by the deadlines set out in the syllabus and handbook.

5. Student reporting requirements. The reporting requirements consist of weekly timesheets, a student evaluation, and journals. Timesheets and the student evaluation must be submitted to the Clinical Programs Administrator, and journals must be submitted to the Workshop professor. The actual timesheet form and the student evaluation form may be found in this handbook, and the School of Law website. Journal information may be found in the Workshop syllabus.

6. Supervisor evaluations. Field supervisors are required to complete mid-term and final evaluations of their externs. The mid-term evaluation is intended to encourage discussion between the extern and supervisor about the externship's direction and progress. The final evaluation is completed by the supervisor alone. The mid-term evaluation and final evaluation forms may be found in this handbook, and the School of Law website.

7. Further information. For more information, please contact Jeffrey Baker, Director of Clinical Education, by phone at (310) 506-6350 or e-mail at jeff.baker@pepperdine.edu, or Donna Brabec, Clinical Programs Administrator, by phone at (310) 506-7449, or by email at clinicallaw@pepperdine.edu.

- You must register for the credit hours you wish to receive and commit to the attendant work load at registration, by the Drop/Add deadline at the latest. You may not increase or decrease your hourly or credit load after this date for the semester.

4. Timesheets

- The earliest date to record hours for the Spring semester is May 20, 2014.
- Timesheets are due weekly.
- Timesheets must be signed by your supervising attorney, not a paralegal or a secretary.
- Law clerks in judicial chambers may sign timesheets.

7. Faculty Advisors

- As an alternative to mandatory workshops, student may have a Faculty Advisor when approved by the Director of Clinical Education and the Academic Dean.
- An extern may have a Faculty Advisor, subject to the discretion of the Director and the Academic Dean, for these reasons: schedule conflicts or an externship that is 25 miles or more from campus.
- Faculty Advisors must be full-time SOL professors and must be confirmed prior to registration.
- It is your responsibility to meet with your Faculty Advisor in person or by phone at least on a biweekly basis.
- The option of a Faculty Advisor must be approved by the Director of Clinical Education. Documentation will be maintained in the Clinical Programs Office. The Clinical Programs Office reserves the right to periodically follow up with your Faculty Advisor to make sure all requirements are being met.

8. Evaluations

- It is your responsibility to meet with your supervising attorney to discuss your Mid-Semester Performance Evaluation. The evaluation will be emailed in February.
- The Student Externship Evaluation contained in this handbook and on the School of Law website is due at the end of your externship but no later than July 25, 2014.
- Your supervising attorney will be emailed a Final Performance Evaluation in July. You need not be present for this evaluation.

9. Grading

- The externship is graded as High Pass/Pass/Credit/Fail basis.
- Grades will be based on attendance, participation, meeting all of the requirements set forth in the Workshop syllabus, and supervisor evaluations.
- Students who turn in all of their timesheets, journals, and student evaluations on time (see the deadlines in the Workshop syllabus) will be eligible for a grade of High Pass or Pass. However, turning in the documentation described above in a timely manner is only a factor in students' grades. Timely documentation compliance is required for eligibility for grades above that of "Credit," but timely compliance does not in itself earn grades higher than "Credit."
- Students who do not turn in all timesheets, journals, and/or student evaluations by the deadlines stated in the Workshop syllabus will not be eligible to receive a grade of High Pass.
- If the timesheets, journals and/or student evaluations are not submitted by their respective deadlines, but are submitted by July 25, 2014, the student will be eligible to receive a grade of no higher than a Pass.
- Students who have not submitted all timesheets, journals, and/or student evaluations by July 25, 2014, but submit their missing documentation before the date the grades are due will be eligible to receive a grade of no higher than a Credit.
- Students who have not submitted all timesheets, journals, and/or student evaluations by the date the grades are due will be given an Incomplete until they have submitted their missing documentation, and at that time they will be eligible to receive a grade of no higher than a Credit.
- Students who miss a Workshop jeopardize receiving credit for their externships. If it is necessary to miss a Workshop due to illness or serious hardship, students must either attend a make-up meeting with the professor and/or complete a make-up assignment ("excused absence").
- Students who have more than one excused absence will not be eligible to earn a grade of higher than a Pass.
- Students who have more than one absence will not be eligible to earn a grade higher than a Credit.
