17 exchange of a security under the Plan, and the making or delivery of an instrument or transfer
18 under the Plan, including, without limitation, in each case, any transfer pursuant to any of the
19 Exit Facility Closing Documents, shall not be subject to any stamp tax or similar tax. All
20 governmental officials and agents shall forego the assessment and collection of any such tax
21 or governmental assessment and accept for filing and recordation any of the foregoing
22 instruments or other documents without payment of such tax or other governmental
23 assessment.

5 application or a motion requesting allowance of the fees and serve the application or motion
6 on the Reorganized Enterprise's counsel, the Creditors' Committee's counsel, the
7 Noteholders' Committee's counsel and the Office of the U.S. Trustee.

8 26. Except as to the Indenture Trustee, any entity that wishes to assert a
9 Non-Ordinary-Course Administrative Claim—other than a Professional Fee Claim—against
10 an Estate must, on or before the sixtieth days after the Effective Date, both File a motion
11 requesting that the Reorganized Enterprise pay the Non-Ordinary-Course Administrative
12 Claim and serve this motion on the Reorganized Enterprise's counsel, the Creditors'
13 Committee's counsel, the Noteholders' Committee's counsel and the Office of the U.S.
14 Trustee.

15 27. The rights afforded in the Plan and the treatment of all Claims and
16 Interests shall be in exchange for and in complete satisfaction, discharge, and release of all
17 Claims and Interests of any nature whatsoever, including any interest accrued on such Claims
18 from and after the Petition Date, against the Debtors, the Estates, the Reorganized Enterprise,
19 or any of their property. Except as otherwise provided in the Plan or this Confirmation
20 Order, (a) on the Effective Date, the Debtors, the Estates, the Reorganized Enterprise and
21 their property, shall be deemed discharged and released from all Claims and Interests,
22 including demands, liabilities, Claims and Interests that arose before the Confirmation Date
23 and all debts of the kind specified in Code sections 502(g), 502(h), or 502(i), regardless of
24 whether or not (i) a proof of Claim or proof of Interest based on such debt or Interest is Filed
25 or deemed Filed, (ii) a Claim or Interest based on such debt or Interest is allowed pursuant to

28 against the Debtors, the Estates, the Reorganized Enterprise, and their property, any other

1 and further Claims or Interests based upon any act or omission, transaction, or other activity
2 of any kind or nature that occurred prior to the Confirmation Date. Except as otherwise
3 provided in the Plan or the Confirmation Order, the Confirmation Order shall act as a
4 discharge of any and all Claims against and all debts and liabilities of the Debtors and such
5 discharge shall void any judgment against the Debtors obtained at any time to the extent that
6 it relates to a Claim discharged.

7 28. Except as otherwise provided in the Plan or the Confirmation Order, on
8 and after the Effective Date, all persons and entities who have held, or currently hold, or may
9 hold a debt, Claim, or Interest discharged hereunder pursuant to the terms of the Plan are

11 discharged debt, Claim or Interest: (a) commencing or continuing in any manner any action
12 or proceeding against the Debtors, the Reorganized Enterprise, the Estates or their property;
13 (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree
14 or order against the Debtors, the Estates, the Reorganized Enterprise, or their properties; (c)
15 creating, perfecting or enforcing any lien or encumbrance against the Debtors, the Estates,
16 the Reorganized Enterprise, or their properties; (d) asserting any setoff, right of subrogation,
17 or recoupment of any kind against any debt, liability or obligation due to the Debtors, the
18 Estates, the Reorganized Enterprise, or their properties; and (e) commencing or continuing
19 any action, in any manner, in any place that does not comply with or is inconsistent with the
20 provisions of the Plan, or the Confirmation Order. Any person or entity injured by any
21 willful violation of such injunction shall recover actual damages, including costs and
22 attorneys' fees and, in appropriate circumstances, may recover punitive damages, from the
23 willful violator.

24 29. Pursuant to and in furtherance of the discharge provisions of section
25 1141(d) of the Bankruptcy Code and the Plan, the commencement or continuation of all
26 personal injury or wrongful death actions arising prior to the Confirmation Date are hereby
27 enjoined from proceeding except in conformity with the discharge provision of section
28 1141(d) of the Bankruptcy Code and the Plan through the ADR Procedures (or, as applicable,

1 the Code's claim adjudication process). Pursuant to the Plan and the Confirmation Order, the
2 ADR Procedures will apply to all personal injury or wrongful death actions that are based on
3 Claims that arose prior to the Confirmation Date. Relief from the injunction implementing
4 the ADR Procedures and established by the Confirmation Order will not be granted unless (i)
5 both the entity seeking relief from the injunction and the Reorganized Enterprise certify in
6 writing that they have attempted to settle their dispute in good faith pursuant to the ADR
7 Procedures, and, notwithstanding the completion of the ADR Procedures, they have failed to
8 reach a settlement; or (ii) the entity seeking relief from the injunction established by the
9 Confirmation Order otherwise establishes good cause after notice and a hearing pursuant to a
10 motion filed with the Court and served on the Reorganized Fountain View on not less than 24
11 days notice, not to follow the ADR Procedures under the circumstances of the particular case.
12 The Court reserves jurisdiction to modify the ADR Procedures for cause after notice and a
13 hearing upon the motion of Reorganized Fountain View, such motion to be served on the
14 U.S. Trustee and the holders of known and disputed professional liability claims arising prior
15 to the Confirmation Date.

16 30. The discharge and injunction provisions set forth in Section VII.A of the
17 Plan are approved and established as if fully set forth herein.

18 31. This Court shall retain jurisdiction as provided in Section VII.C of the
19 Plan.

20 32. The Reorganized Enterprise shall mail notice of entry of this Order, in
21 substantially the form of the Notice attached hereto as Exhibit 3, which form is hereby
22 approved, to all creditors and shareholders of record as of the date of entry of this
23 Confirmation Order.

24 33. The Debtors will mail notice of the occurrence of the Effective Date, in
25 substantially the form of the Notice attached hereto as Exhibit 4, which form is hereby
26 approved, to the Office of the United States Trustee; the Creditors' Committee; the
27 Noteholders' Committee; the Agent and the Lenders; and any party entitled to special notice.
28

1 34. The Reorganized Enterprise shall not be required to comply with Local
2 Bankruptcy Rule 3020-1(b), which otherwise requires the filing of certain status reports after
3 the Confirmation Date; provided, however, that Reorganized Fountain View shall submit an
4 initial status report within 30 days after the Effective Date, but in any case within 120 days of
5 the Confirmation Date, explaining the progress made toward consummation of the Plan, and
6 including as an exhibit the most recent form 10-Q or 10-K filed by Reorganized Fountain
7 View with the United States Securities and Exchange Commission.

8 35. This Order shall constitute an order of the Court authorizing the sale of
9 the property securing the Class 4 Claim free and clear of the liens of the holder of the Class 4
10 Claim in accordance with sections 363, 1123 and 1129 of the Bankruptcy Code, and all
11 applicable Bankruptcy Rules; provided, however, that concurrently with any such sale the
12 Class 4 Claim is satisfied by the payment from the proceeds of any such sale to the holder of
13 the Class 4 Claim of cash in an amount equal to the Allowed Class 4 Claim.
14 Notwithstanding anything else to the contrary herein or in Bankruptcy Rule 6004(g), such
15 sale may be consummated at any time following entry of this Confirmation Order.

16 36. As of the Effective Date, the Reorganized Enterprise shall be deemed to

"Administrative Claim" means a Claim for administrative costs or expenses that are allowable under Code sections 503(b), 507(b), or 1114(e). These costs or expenses may include: (i) Administrative Tax Claims; (ii) Ordinary Course Administrative Claims; or (iii) Non-Ordinary Course Administrative Claims.

"Administrative Tax Claim" means a Claim that is not an Allowed Secured Claim and that a government unit asserts against a Debtor either for taxes or for related interest or penalties for any period of time that—in whole or in part—falls after the commencement of the Reorganization Cases through and including the Effective Date.

"ADR Procedures" means those procedures (as they may be modified by the Plan and Confirmation Order) supplementing the Claims adjudication procedures set forth in the Code and the Bankruptcy Rules for the liquidation of professional liability Claims established by the *Order Establishing Alternative Dispute Resolution Procedures* (the "ADR Order") entered on the Court's official docket on June 17, 2002. Pursuant to the ADR Procedures, all holders of prepetition personal injury or wrongful death claims and their attorneys, agents, employees, servants, and successors are stayed from proceeding against the Debtors and any successors (including the Estates and the Reorganized Enterprise), any other defendant or defendants with respect to such claims and their insurers. The Debtors' primary and excess insurance carriers are also obligated to participate in good faith in the mediations provided for by the ADR Procedures. Those parties that submit to the ADR

Procedures agree to participate in negotiations and mediate with the Debtors to attempt to reach a settlement. The Plan provides for the Court to enter an injunction pursuant to the Confirmation Order, providing that the commencement or continuation of all personal injury or wrongful death actions will be enjoined from proceeding except in conformity with the ADR Procedures (or, as applicable, the Code's claim adjudication process). Pursuant to the Plan and the Confirmation Order, the ADR Procedures will apply to all personal injury or wrongful death actions that are based on Claims that arose prior to the Confirmation Date. Relief from the injunction implementing the ADR Procedures and established by the Confirmation Order will not be granted unless (i) both the entity seeking relief from the injunction and the Reorganized Enterprise certify in writing that they have attempted to settle their dispute in good faith pursuant to the ADR Procedures, and, notwithstanding the completion of the ADR Procedures, they have failed to reach a settlement; or (ii) the entity seeking relief from the injunction established by the Confirmation Order otherwise establishes good cause not to follow the ADR Procedures under the circumstances of the particular case.

27 ² "Basket and release provisions" permit limited substitution of collateral and sales free and clear of liens with respect to

16 financial information only, a report on the annual financial statements by an independent
17 certified public accounting firm; and (ii) all current reports that would be required to be filed
18 on Form 8-K if Reorganized Fountain View were required to file such reports. So long as
19 any New Public Notes remain outstanding, Reorganized Fountain View shall comply with
20 section 314(a) of the Trust Indenture Act and shall furnish the information required to be
21 delivered pursuant to Rule 144(d)(4) under the Securities Act of 1933 upon the request of
22 any holder of the New Public Notes, securities analysts, or prospective investors.

6 Claims in Classes 9, 11, 12, and 13, and (ii) Claims held by one of the Debtors extinguished
7 pursuant to Section IV.A of the Plan. Claims that would otherwise be Class 10 Claims will
8 be classified and treated as Class 11 Claims, if the holder makes the Convenience Class
9 Election; provided, however, that any holder that makes the Convenience Class Election but
10 holds aggregate Allowed Class 10 Claims in excess of \$1,250 will be classified and treated
11 in Class 10 under payment option 10A as voting to accept the Plan and will receive cash
12 equal to 80% of such holder's Allowed Claims without postpetition interest.

13 Treatment: Holders of Class 10 Claims must elect in writing payment option
14 10A or 10B on or before the last date fixed by the Court for the timely submission of Ballots;
15 provided, however, that a holder of a Disputed Claim in Class 10 must make its election
16 before the later of the deadline to submit Ballots and 14 days after the date upon which its
17 Claim becomes an Allowed Claim. Holders who fail to make a timely and valid election in
18 writing shall be afforded treatment under payment option 10B. The Disbursing Agent will
19 make distributions to the holder of each Class 10 Allowed Claim, in accordance with such
20 holder's applicable payment option on the latest of (i) as soon as reasonably practicable after
21 the Effective Date; (ii) 30 days after the date on which the Claim becomes an Allowed
22 Claim; or (iii) the date such Claim becomes due and payable in accordance with its terms.

23 *Payment Option 10A* is cash equal to 80% of the Allowed Claim without
24 postpetition interest.

25 *Payment Option 10B* is:

26 (i) for all holders other than Continuing Creditors,

27 (a) cash equal to the sum of:

28 (y) 40% of the Allowed Claim, and

- (z) postpetition interest calculated at the rate of 9½% per annum on the full amount of the Allowed Claim from the Petition Date through the date of payment (provided, however, that notwithstanding anything to the contrary herein no prejudgment interest shall accrue or be paid with respect to any unliquidated Class 10 Claim prior to its liquidation except as provided by otherwise applicable non-bankruptcy law); and
- (b) a Class 10 Deferred Obligation in a principal amount equal to 60% of the Allowed Claim; or
- (ii) for Continuing Creditors,
- (a) cash equal to the sum of:
- (y) 65% of the Allowed Claim, and
- (z) postpetition interest calculated at the rate of 9½% per annum on the full amount of the Allowed Claim from the Petition Date through the date of payment; and
- (b) a Continuing Creditor Deferred Obligation in a principal amount equal to 35% of the Allowed Claim.

The Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation will be obligations of Reorganized Fountain View guaranteed by Reorganized Summit Care Pharmacy, the Other Reorganized Debtors, and the Post-Effective Date Subsidiaries (except for any special purposes entities formed for insurance coverage purposes) to the extent permitted by the Exit Facility. The Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation will bear interest payable in arrears from and after the date of the initial cash payment under payment option 10B in respect of such Class 10 Claim at the rate of 9½% per annum; provided, however, that after maturity (whether by acceleration or otherwise) interest shall accrue at the rate of 11½% per annum. The Class 10 Deferred Obligation will be payable in five semiannual installments each of which shall consist of principal installments equal to one-fifth its original principal amount together with accrued interest on the remaining unpaid principal balance and the Continuing Creditor

Obligation will be payable in three semiannual installments each of which shall consist of principal installments equal to one-third its original principal amount together with accrued interest on the remaining unpaid principal balance, such installments to commence on the first Business Day that is at least 180 days after the Effective Date; provided, however, that, should the Noteholder Prepayment Percentage exceed 50%, Reorganized Fountain View shall prepay the Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation Pro Rata (to be credited against scheduled amortization payments relating to such Class 10 Deferred Obligation or Continuing Creditor Deferred Obligation in reverse order of maturity) in an amount equal to the initial amount of such Class 10 Deferred Obligation or the Continuing Creditor Deferred Obligation multiplied by the Noteholder Prepayment Percentage less all prior principal payments on account of such Class 10 Deferred Obligation or Continuing Creditor Deferred Obligation. The Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation will be secured by liens (which shall be expressly subordinated to those securing the Exit Facility on terms reasonably acceptable to the Exit Facility lenders as well as any prior perfected and valid liens retained under the Plan) against (a) the Debtors' real property leases, and (b) the Business Assets of the Reorganized Enterprise's pharmacy and therapy businesses, such liens to be of equal rank and otherwise subject to the same limitations as the liens securing the New Public Notes and the Vendors' Lien. The lien securing the Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation shall be subject to the same "basket" and release provisions as the lien securing the New Public Notes.³ The lien securing the Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation shall be administered by the Claims Agent under a collateral trust agreement or similar agreement, which agreement (together with such ancillary documents as may be reasonably necessary to implement its terms) shall be in the form submitted by the Debtors in the Plan Supplement and shall provide for acceleration of

Such provisions are customary in secured public trust indentures given the difficulty of obtaining transaction specific lien releases from the dispersed holders of public debt.

the Class 10 Deferred Obligation and the Continuing Creditor Deferred Obligation and enforcement of the lien by the Claims Agent in the event of (i) a payment default on the Class 10 Deferred Obligation and Continuing Creditor Deferred Obligation (in either case, following five business days written notice and failure to cure); (ii) upon the acceleration or any exercise of remedies by any party of the New Public Notes, the Exit Facility, or any comparable obligation following a default under such agreement; (iii) or the filing of a bankruptcy case by Reorganized Fountain View.

For the avoidance of doubt, the amount of any mandatory prepayment under the Noteholder Prepayment Percentage shall be calculated in accordance with the following:

Example 1: Class 10 Deferred Obligation:

Assume the Noteholder Prepayment Percentage is 60% on the date eight months following the Effective Date and the regularly scheduled amortization payment in an amount equal to 20% of the initial amount of the Class 10 Deferred Obligation has been made, such that its principal amount has been reduced from \$1500 to \$1200. A mandatory prepayment would then be due in the amount of \$600 in order to further reduce the then outstanding principal balance to \$600. This mandatory prepayment would be credited against the final two amortization payments. Assuming no further increase in the Noteholder Prepayment Percentage, the regularly scheduled amortization payment on the first anniversary of the Effective Date would, therefore, remain \$300, and the third regularly scheduled amortization payment due one year after the first Business Day following 180 days after the Effective Date would extinguish the Class 10 Deferred Obligation.

Example 2: Continuing Creditor Deferred Obligation:

Assume the Noteholder Prepayment Percentage is 60% on the date eight months following the Effective Date and the regularly scheduled amortization payment in an amount equal to 33.33% of the initial amount of the Continuing Creditor Deferred Obligation has been made, such that its initial principal amount has been reduced from \$1500 to \$1000. A mandatory prepayment would then be due in the amount of \$400 in order to further reduce the then outstanding principal balance to \$600. This mandatory prepayment would be

1 credited against the final amortization payment. Assuming no further increase in the
2 Noteholder Prepayment Percentage, the regularly scheduled amortization payment on the
3 first anniversary of the Effective Date would, therefore, remain \$500, and upon final
4 maturity the then remaining balance of \$100 would be due.

5 **3. Class 11 (Convenience Claims—Unimpaired).**

6 **Classification:** Class 11 consists of Convenience Claims.

7 **Treatment:** The legal, equitable and contractual rights of the holders of Class
8 11 Claim are unaltered under the Plan. The Disbursing Agent will distribute to holders of
9 Class 11 Allowed Claims cash equal to the allowed amount of the Convenience Claim plus
10 interest calculated at 2.49%⁴ per annum from the Petition Date through the date of payment
11 on the latest of (i) as soon as reasonably practicable after the Effective Date; (ii) 30 days
12 after the date on which the Convenience Claim becomes an Allowed Claim; or (iii) the date
13 such Convenience Claim becomes due and payable in accordance with its terms.

14 Holders of Class 10 Claims validly making the Convenience Class Election
15 will be treated as follows: (i) if the aggregate amount of their Allowed Class 10 Claims is
16 equal to or less than \$1,250, they will be treated in Class 11, deemed to accept the Plan, and
17 will receive \$1,000 in full and final satisfaction of all of their Allowed Class 10 Claims; or
18 (ii) if the aggregate amount of their Allowed Class 10 Claims is in excess of \$1,250, they
19 will be treated in Class 10 under payment option 10A, deemed to accept the Plan, and will
20 receive cash equal to 80% of such holder's Allowed Class 10 Claims without postpetition
21 interest.

22 **4. Class 12 (Insured Professional Liability Claims—Impaired).**

III.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Assignment of Contracts and Leases.

1. Schedule of Assumed or Assigned Agreements.

On the Effective Date, the Debtors will assume (i) the Resident Agreements (including any general agreements of indemnity related to Resident Agreements) and (ii) the executory contracts and unexpired leases—except for any agreements that were previously assumed or rejected by Final Order or under Bankruptcy Code section 365—that are identified on the Schedule of Assumed or Assigned Agreements, and will assign those executory contracts and unexpired leases as further provided herein.

By the first business day that is at least twenty (20) days prior to the Confirmation Hearing Date, the Debtors will file an amended Schedule of Assumed or Assigned Agreements, and will serve the amended schedules on the non-debtor parties to the

1 executory and unexpired leases whose treatment differs from that provided in the Exhibits
2 attached to the Disclosure Statement. The Debtors reserve the right to amend the Schedule
3 of Assumed or Assigned Agreements at any time before the Confirmation Date to: (i) delete
4 any executory contract or unexpired lease and provide for its rejection under Section III.B
5 below; or (ii) add any executory contract or unexpired lease and provide for its assumption
6 or assignment under this Section. The Debtors will provide notice of any amendment to the
7 Schedule of Assumed or Assigned Agreements to the party or parties to the agreement
8 affected by the amendment and counsel to the Committees.

9 The Confirmation Order will constitute a Court order approving the
10 assumption, and, as applicable, assignment, on the Effective Date, of the Resident
11 Agreements and the executory contracts and unexpired leases then identified on the Schedule
12 of Assumed or Assigned Agreements.

13 2. Cure Payments.

14 The Schedule of Assumed or Assigned Agreements also identifies any amounts
15 that the Debtors believe Bankruptcy Code sections 365(b)(1)(A) or (B) require be paid in
16 order to cure defaults under the executory contracts and unexpired leases to be assumed or
17 assigned under the Plan. The Debtors will file an amended Schedule of Assumed or
18 Assigned Agreements not later than 20 days before the Confirmation Hearing Date, setting
19 forth any cure amounts under the executory contracts and unexpired leases to be assumed or
20 assigned under Section III.A.1, above. The Debtors reserve the right to further amend the
21 Schedule of Assumed or Assigned Agreements, including modifying the cure amounts, up to
22 the Confirmation Date. There are no cure payments to be made with respect to the Resident
23 Agreements.

24 As required by Code section 365(b)(1), any and all monetary defaults under
25 each executory contract and unexpired lease to be assumed or assigned under this Plan will
26 be satisfied in one of the following three ways: (i) the Disbursing Agent will pay to the non-
27 debtor party to the executory contract or unexpired lease the Cure Payments, as set forth on
28 the Schedule of Assumed or Assigned Agreements (as it may be amended), in cash within 10

1 days after the Effective Date; (ii) the Disbursing Agent will satisfy any other terms that are
2 agreed to by both the Debtors and the non-debtor party to an executory contract or unexpired
3 lease that will be assumed or assigned, including, with respect to the applicable Medicare
4 provider agreements, the terms of the CMS Stipulation and the TDHS Settlement; or (iii) if a
5 dispute arises regarding (a) the amount of any proposed Cure Payments, (b) whether the
6 Debtors have provided adequate assurance of future performance under an executory
7 contract or unexpired lease to be assumed or assigned, or (c) any other matter pertaining to a
8 proposed assumption or assignment, the proposed Cure Payments will be made within 30
9 days after entry of a Final Order resolving the dispute and approving the assumption or
10 assignment.

11 **3. Objections to Assumption or Assignment or Proposed Cure**
12 **Payments.**

13 Any party to an executory contract or unexpired lease that will be assumed or
14 assigned under the Plan who either contends that the proposed Cure Payment specified on
15 the Schedule of Assumed or Assigned Agreements is incorrect or otherwise objects to the
16 contemplated assumption or assignment must File with the Court and serve upon the
17 Debtors, Debtors' Counsel, and counsel to the Committees, a written statement and
18 supporting declaration stating the basis for its objection. This statement and declaration must
19 be Filed and served by the later of: (i) twenty (20) days before the Confirmation Hearing
20 Date; or (ii) with respect to objections relating to an executory contract or unexpired lease
21 added to the Schedule of Assumed or Assigned Agreements by an amendment, or with
22 respect to any changed cure amount, ten (10) days after the Debtors file and serve any
23 amendments to the Schedule of Assumed or Assigned Agreements. Any entity that fails to
24 timely File and serve such a statement and declaration will be deemed to waive any and all
25 objections to the proposed assumption or assignment and the proposed Cure Payments.

26 **4. Liens with Respect to Assumed Contracts and Leases Pursuant to**
27 **the Exit Facility and Plan.**

28 As of the Effective Date, the Reorganized Enterprise is authorized to grant

1 liens to secure the Exit Facility, the New Public Notes, the Class 10 Deferred Obligation, the
2 Continuing Creditor Deferred Obligation, and the Vendors' Lien, in accordance with the
3 terms of the Exit Facility Closing Documents, the indenture pursuant to which the New
4 Public Notes are to be issued, and the agreement between the Claims Agent and Reorganized
5 Fountain View, in the Debtors' interests in all unexpired real property leases (and, as
6 applicable, executory contracts) included on the Schedule of Assumed or Assigned
7 Agreements, notwithstanding anything to the contrary in otherwise applicable law or in any
8 such lease. The Debtors and the Reorganized Enterprise are authorized to execute such
9 documents and memoranda and record such instruments as may be appropriate to perfect
10 such liens under otherwise applicable law.

11 **B. Rejection of Contracts and Leases.**

12 **1. Schedule of Rejected Agreements.**

13 On the Effective Date, the Debtors will reject all executory contracts and
14 unexpired leases on the Schedule of Rejected Agreements—except for any agreements that
15 were previously assumed or rejected by Final Order or under Bankruptcy Code section 365
16 or that will be assumed under Section III.A of the Plan—but only to the extent that these
17 agreements constitute executory contracts or unexpired leases under Bankruptcy Code
18 section 365. (Listing an agreement on the Schedule of Rejected Agreements is not an
19 admission that the agreement is an executory contract or unexpired lease or that the Debtors
20 have any liability under the agreement.)

21 The Debtors reserve the right to amend the Schedule of Rejected Agreements
22 at any time before the Confirmation Date to: (i) delete any executory contract or unexpired
23 lease and provide for its assumption or assignment under Section III.A, above; or (ii) add any
24 executory contract or unexpired lease and provide for its rejection under this Section III.B.
25 The Debtors will provide notice of any amendment to the Schedule of Rejected Agreements
26 to the party or parties to the executory contracts or unexpired leases affected by the
27 amendment and counsel to the Committees.

28 The Confirmation Order will constitute a Court order approving the rejection,

1 on the Effective Date, of any and all of the agreements that the Debtors executed before the
2 Petition Date—except for any agreements that were previously assumed or rejected either by
3 a Final Order or under Bankruptcy Code section 365 or that will be assumed under Section
4 III.A—including without limitation the executory contracts or unexpired leases identified on
5 the Schedule of Rejected Agreements.

6 **2. Bar Date for Rejection Damage Claims.**

7 Any Rejection Damage Claim or other Claim for damages arising from the
8 rejection under the Plan of an executory contract or unexpired lease must be filed with the
9 Court and served upon the Debtors' Counsel and the Reorganized Enterprise within 30 days
10 after the mailing of notice of entry of the Confirmation Order at which time the holder of the
11 Claim may elect between payment option 10A or 10B, if applicable, by delivering to the
12 Debtors' counsel and the Reorganized Enterprise a written notice of election of option 10A
13 or 10B. Holders of Class 10 Claims failing to make a timely election between payment
14 option 10A or 10B shall be deemed to elect payment option 10B. Any such damage Claims
15 that are not timely Filed and served will be forever barred and unenforceable against the
16 Debtors, the Estates, the Reorganized Enterprise, and their respective property; and Entities
17 holding these Claims will be barred from receiving any distributions under the Plan on
18 account of their Rejection Damage Claims or other damage Claims. Nothing herein extends
19 the bar date applicable to any contract or lease rejected otherwise than under the Plan or for
20 any Claim other than one arising directly as a result of the rejection of a contract or lease
21 under the Plan.

22 **C. Postpetition Contracts and Leases.**

23 Except as expressly provided in the Plan or the Confirmation Order, each
24 contract, lease, or other agreement that any of the Debtors entered into after the Petition Date
25 will either revert in Reorganized Fountain View, Reorganized Summit Care Pharmacy or the
26 Other Reorganized Debtors, or be assigned to a Post-Effective Date Subsidiary pursuant to
27 the terms of the Corporate Restructuring Closing Documents. These agreements will then
28 become obligations solely of the entities so designated in the Corporate Restructuring

1 Closing Documents and will remain in full force and effect after the Confirmation Date and
2 the Effective Date. The CMS Stipulation and the TDHS Settlement will be binding on the
3 Reorganized Enterprise in accordance with their terms notwithstanding anything else to the
4 contrary in the Plan.

5 IV.

6 MEANS OF EXECUTION AND IMPLEMENTATION 7 OF THE PLAN AND OTHER PROVISIONS

8 Except as otherwise specifically provided herein, Fountain View, Inc., and,
9 after the Effective Date, Reorganized Fountain View, shall serve as the duly authorized agent
10 of the Debtors, the Estates, and the Reorganized Enterprise for the purposes of performing
11 and consummating the Plan pursuant to the Bankruptcy Code.

12 A. Substantive Consolidation.

13 As of the Effective Date, solely for the purposes of the Plan, the assets, claims,
14 and affairs of the Debtors and the Estates shall be substantively consolidated pursuant to
15 Bankruptcy Code section 105(a). As a result of the substantive consolidation, on the
16 Effective Date, all property, rights, and claims of the Debtors and the Estates, and all Claims
17 against the Debtors and the Estates shall be deemed pooled for purposes of allowance,
18 treatment, and distributions under the Plan and multiple proofs of Claim on account of any
19 Claim upon which any of the Debtors are co-obligors or guarantors or otherwise may be
20 contingently liable shall without necessity of objection by any party be deemed to constitute
21 a single proof of Claim entitled to a single satisfaction from the substantively consolidated
22 Estates in accordance with the terms of the Plan; the duplicative Claims being otherwise
23 deemed disallowed. Further, as a result of this substantive consolidation, all Claims between
24 and among the Debtors and the Estates shall be cancelled without being entitled to any
25 distribution under the Plan.

26 B. Corporate Restructuring Plan.

27 On the Effective Date, the Debtors will consummate the transactions
28 contemplated in the Corporate Restructuring Plan. Upon consummation of the Corporate

1 Restructuring Plan, all of the Business Assets, free and clear of all liens, Claims,
2 encumbrances, and Interests, except as otherwise provided in the Plan, shall be held by
3 Reorganized Summit Care Pharmacy, the Other Reorganized Debtors, and the Post-Effective
4 Date Subsidiaries in accordance with the Corporate Restructuring Plan. Reorganized
5 Fountain View will own directly or indirectly 100% of the equity interests in Reorganized
6 Summit Care Pharmacy, the Other Reorganized Debtors, and the Post-Effective Date
7 Subsidiaries. The Debtors (other than Fountain View, Inc., Summit Care Pharmacy, Inc.,
8 and the Other Reorganized Debtors) will, following consummation of the Corporate
9 Restructuring Plan, cease their independent existence through dissolution or merger.

10 **C. Exit Facility.**

11 On the Effective Date, the Debtors will consummate the transactions
12 contemplated in the Exit Facility Commitment Letters. The Disbursing Agent shall use the
13 proceeds of the Exit Facility together with the Bank Midwest Advance and the Debtors' cash
14 and cash equivalents on hand to fund payments under the Plan as follows:

- 15 • Payments in satisfaction of Allowed Administrative Claims, Allowed Priority
16 Claims, and Allowed Priority Tax Claims and any required cure payments with
17 respect to unimpaired Claims;
- 18 • Payments in satisfaction of Allowed Claims in Classes 3, 5, 7, 8, and 11;
- 19 • Payments in partial satisfaction of Allowed Claims in Class 6;
- 20 • Payments in satisfaction of Allowed Claims in Class 10 electing payment
21 option 10A;
- 22 • Payments in partial satisfaction of Allowed Claims in Class 10 electing (or
23 deemed to elect) payment option 10B;
- 24 • Payment of the Initial Cash Payment in partial satisfaction of Allowed Claims
25 in Class 9; and
- 26 • Retention of sufficient funds to meet the Reorganized Enterprise's working
27 capital needs after the Effective Date.

28 The closings of the Exit Facility and the Corporate Restructuring Plan are

1 integral and necessary conditions and terms of the Plan.

2 **D. Amendment to Articles of Incorporation.**

3 Reorganized Fountain View's articles of incorporation will be amended in the
4 form provided in the Plan Supplement to eliminate Class B Common Stock and Class C
5 Common Stock and prohibit the issuance of nonvoting equity securities. Reorganized
6 Summit Care Pharmacy's and the Other Reorganized Debtors' articles of incorporation will
7 be amended in the form Filed with the Plan Supplement to, inter alia, prohibit the issuance of
8 nonvoting equity securities.

9 **E. The Claims Agent.**

10 **1. Designation of the Claims Agent.**

11 The Claims Agent shall be designated by the Creditors' Committee with the
12 prior consent of the Debtors, which consent shall not be unreasonably withheld, pursuant to
13 the terms and conditions of the General Claim Holder Agency Agreement submitted by the
14 Debtors in the Plan Supplement. The General Claim Holder Agency Agreement shall
15 provide that financial and business information concerning Reorganized Fountain View
16 provided to the indenture trustee for the New Public Notes that is not otherwise publicly
17 available shall be concurrently provided to the Claims Agent so long as any Class 10
18 Deferred Obligation remains outstanding.

19 **2. Powers and Duties.**

20 The Claims Agent shall have the following rights, powers and duties under the
21 General Claim Holder Agency Agreement pursuant to which it serves:

- 22 a. The Claims Agent may employ counsel reasonably acceptable to
23 the Debtors. The reasonable costs, fees, and expenses of counsel
24 for the Claims Agent shall be paid by Reorganized Fountain
25 View;
26 b. The Claims Agent may exercise rights and remedies in
27 accordance with the terms of the General Claim Holder Agency
28 Agreement upon (i) default by Reorganized Fountain View in the

1 payment of the Class 10 Deferred Obligation, the Continuing
2 Creditor Deferred Obligation or the obligations secured by the
3 Vendors' Lien (in any case, following five (5) business days
4 written notice and failure to cure); (ii) acceleration or any
5 exercise of remedies by any party under the Exit Facility, the
6 New Public Notes, or any comparable obligation following a
7 default under such agreement; or (iii) the filing of a bankruptcy
8 case by Reorganized Fountain View; and

9 c. The Claims Agent may file suit or any appropriate motion for
10 relief in the Court or in any other court of competent jurisdiction
11 to exercise his rights, powers, or duties, or to receive
12 compensation or its counsel's compensation under the General
13 Claim Holder Agency Agreement.

14 All functions and procedures applicable to the Claims Agent and the power and
15 duties of the Claims Agent not expressly set forth in the Plan shall be governed by the
16 provisions of the General Claim Holder Agency Agreement.

17 **F. Revesting of Assets.**

18 Except as otherwise provided in the Plan, the Corporate Restructuring Closing
19 Documents, the Exit Facility Closing Documents, or in any other agreements contemplated
20 under the Plan, on the Effective Date, all property of the Estates shall vest in the Reorganized
21 Enterprise, free and clear of all Claims, liens, encumbrances, and other Interests. From and
22 after the Effective Date, the Reorganized Enterprise may operate the businesses and use,
23 acquire, and dispose of property without supervision by the Court and free of any restrictions
24 of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed
25 by the Plan and the Confirmation Order.

26 **G. Preservation of Causes of Action.**

27 Except as expressly released pursuant to the Plan, pursuant to section 1123(b)
28 of the Bankruptcy Code, the Reorganized Enterprise shall be vested with and shall retain and

1 may enforce any claims, rights, and causes of action that the Debtors or the Estates may hold
2 or have against any entity, including without limitation, the Avoidance Actions.

3 Any such rights shall be retained by the Reorganized Enterprise free and clear
4 of all Claims and Interests, and the Reorganized Enterprise may pursue the Avoidance
5 Actions or any other such claims, rights, and causes of action that Debtors or the Estates may
6 hold or have against any entity, in accordance with its best interests.

7 **H. Objections to Claims and Interests.**

8 Except as otherwise provided in Section II.B, above (regarding allowance of
9 Administrative Claims), objections to any Claims or Interests shall be filed and served upon
10 the holder of such Claim or Interest no later than the date that is the later of (i) nine months
11 after the Effective Date, unless extended by the Court; or (ii) nine months after the date on
12 which a proof of Claim or Interest has been filed, unless extended by the Court. After the
13 Effective Date, only the Reorganized Enterprise shall have the authority to file, settle,
14 compromise, withdraw, or litigate to judgment objections to Claims and Interests. The
15 Reorganized Enterprise may file, settle, compromise, withdraw, or litigate to judgment such
16 objections without further order of the Court.

17 Holders of debts that arise prior to the Confirmation Date involving personal
18 injury or wrongful death shall be enjoined by the injunction established by the Confirmation
19 Order from commencing or continuing any action to collect such Claim except in conformity
20 with the ADR Procedures applicable after the Effective Date (or, as applicable, the Code's
21 claim adjudication procedures).

22 In voting on the Plan, creditors may not rely on the absence of an objection to
23 their proofs of Claim as any indication that the Debtors, the Committees or other parties in
24 interest, ultimately will not object to the amount, priority, security or allowability of their
25 Claims. Moreover, except as otherwise expressly provided in the Plan or by written
26 stipulation Filed with the Court, the Debtors reserve, and intend that the Reorganized
27 Enterprise shall prosecute, claims of the Debtors and the Estates (including rights to
28 affirmative recovery, rights to subordinate claims, and rights to avoid transfers). In

1 particular, creditors should anticipate that the Reorganized Enterprise may object to any
2 Claim asserted in an amount greater than the amount set forth in the Schedules.
3 Notwithstanding anything else to the contrary herein, with respect to Class 10 Claims and
4 Class 11 Claims, the Debtors and the Reorganized Enterprise may only object to a Claim if it
5 is (i) listed on Exhibit 8 (Schedule of Disputed Claims) to the Disclosure Statement (as such
6 exhibit may be subsequently amended through the date the Debtors serve the Disclosure
7 Statement upon creditors and interest holders), (ii) not timely Filed, or (iii) duplicative of
8 another Claim that is not objected to.

9 **I. Distribution of Property Under the Plan.**

10 The following procedures set forth in this Section IV.I shall apply to
11 distributions made pursuant to this Plan by the Disbursing Agent, and, where applicable, any
12 such agents as they may appoint to effectuate such distributions.

13 **1. Manner of Cash Payments Under The Plan.**

14 Payments to domestic entities holding Allowed Claims will be tendered in U.S.
15 Dollars and will be made by checks drawn on a domestic bank selected by the party making
16 such distribution or, at its option, by wire transfer from a domestic bank. Payments made to
17 foreign creditors holding Allowed Claims may be paid, at the option of the Disbursing
18 Agent, as set forth in the preceding sentence or in such funds and by such means as are
19 necessary or customary in the particular foreign jurisdiction.

20 **2. No De Minimis Distributions.**

21 Notwithstanding anything to the contrary in this Plan, no cash payment of less
22 than \$25 will be made by the Disbursing Agent to any entity holding an Allowed Claim. No
23 consideration will be provided in lieu of the de minimis distributions that are not made under
24 this Section.

25 **3. No Distribution with Respect to Disputed Claims**

26 Notwithstanding any other provisions of the Plan, no payments of cash or
27 distributions of other property or other consideration of any kind shall be made on account of
28 any Disputed Claim unless and until such Claim becomes an Allowed Claim or is deemed to

be such for purposes of distribution, and then only to the extent that the Claim becomes, or is deemed to be for distribution purposes, an Allowed Claim. The presence of a Disputed Claim in any Class will not be a cause to delay distribution to Allowed Claims in that Class or in other Classes. Any holder of a Claim that becomes an Allowed Claim after the Effective Date will receive its distribution (including, as applicable, interest from the Effective Date through the date of payment) within 30 days from the date that such Claim becomes an Allowed Claim.

4. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

a. Delivery of Distributions in General.

The Disbursing Agent shall make distributions to each holder of an Allowed Claim as follows: (i) by mail at the addresses set forth on the respective proof of Claim filed by such holder of an Allowed Claim; (ii) by mail at the address set forth in any written notice of address change delivered to the Disbursing Agent after the date of any related proof of Claim; (iii) by mail at the address reflected in the Schedules if no proof of Claim is filed and the Disbursing Agent has not received a written notice of a change of address; (iv) with respect to the holders of Class 8 Allowed Claims to the Agent in such manner as the Agent may reasonably instruct the Disbursing Agent in writing; and (v) with respect to holders of Class 9 Allowed Claims, at the last known address of record holders of such Allowed Claims as of the close of business on the Effective Date, as determined by the Indenture Trustee or applicable transfer agent.

As set forth in Section IV.I.1 above, the Disbursing Agent may, at its option make a distribution to a holder of an Allowed Claim by wire transfer pursuant to the wire transfer instructions provided by the holder of such Allowed Claim.

b. Delivery of 11¼% Noteholder Distributions.

As soon as reasonably practicable after the Effective Date, but in no event later than 10 days after the Effective Date, Reorganized Fountain View shall make the distributions called for in Part II.D.1 of the Plan on account of the Claims for principal and

1 interest arising under the 11¼% Notes to the Indenture Trustee. The Indenture Trustee will
2 receive such cash and securities for the benefit of the record holders, as of the Record Date,
3 of the Claims for principal and interest arising under the 11¼ Notes and will deliver, as soon
4 as reasonably practicable after the Effective Date, such cash and securities to each record
5 holder, as of the Record Date, of a Claim for principal and interest arising under the 11¼
6 Notes in accordance with the Indenture, or applicable law, and the Plan. The reasonable fees
7 and expenses of the Indenture Trustee for making distributions under the Plan shall be paid
8 by Reorganized Fountain View.

9 As a condition to the receipt of any Pro Rata share of the Noteholders' Stock
10 Distribution, a holder of a Claim for principal and interest arising under the 11¼% Notes
11 shall agree in writing to be bound by the Stockholders' Agreement. As a further condition to
12 participation under the Plan, a holder of a Claim for principal and interest arising under the
13 11¼% Notes that desires to receive property to be distributed on account of such Claim shall
14 surrender the security representing such Claim to the Indenture Trustee in accordance with
15 the procedures set forth in the Indenture, to the extent applicable, or in accordance with such
16 other procedures as shall be established by the Indenture Trustee as may be reasonably
17 acceptable to Reorganized Fountain View. Following confirmation of the Plan, record
18 holders of such securities shall receive specific instructions regarding the time and manner in
19 which the 11¼% Notes are to be surrendered, which instructions shall be given by
20 Reorganized Fountain View, the Disbursing Agent, or the Indenture Trustee to such record
21 holders as soon practicable after the Effective Date. Pending such surrender, such securities
22 shall be cancelled and represent only the right to receive the distributions to which the holder
23 is entitled under the Plan.

24 Any Claims for principal and interest arising under the 11¼% Notes
25 represented by a security which is lost, stolen, mutilated, or destroyed shall be deemed
26 surrendered when the holder of the Claim based thereon delivers to the Indenture Trustee (i)
27 evidence satisfactory to the Indenture Trustee of the loss, theft, mutilation, or destruction of
28

1 such instrument, and (ii) such security or indemnity as may be required by the Indenture
2 Trustee to hold it harmless with respect thereto.

3 **c. Distribution to Interest Holders Under the Plan.**

4 As soon as reasonably practicable after the Effective Date, Reorganized
5 Fountain View shall make the distributions called for in Part II.E of the Plan on account of
6 the Class 14, Class 15, Class 17, and Class 18 Interests to the record holders of those
7 respective Interests, in accordance with applicable law and the Plan.

8 As a condition to participation under the Plan, a holder of an Interest entitled to
9 distributions of New Class A Common Stock, New Warrants, or New Preferred Stock under
10 the Plan that desires to receive property to be distributed on account of such Interest shall
11 agree in writing to be bound by the Stockholders' Agreement and shall surrender the security
12 representing such Interest to Reorganized Fountain View or its designee in accordance with
13 procedures as shall be established by Reorganized Fountain View. Record holders of such
14 Interests shall receive specific instructions regarding the time and manner in which the
15 securities representing such Interests are to be surrendered, which instructions shall be given
16 by Reorganized Fountain View to such record holders as soon as practicable after the
17 Effective Date. Pending such surrender, such securities shall be cancelled and represent only
18 the right to receive the distributions to which the holder is entitled under the Plan.

19 Any Interests represented by a security which is lost, stolen, mutilated, or
20 destroyed shall be deemed surrendered when the holder of the Interest based thereon delivers
21 to Reorganized Fountain View (i) evidence satisfactory to Reorganized Fountain View of the
22 loss, theft, mutilation, or destruction of such instrument, and (ii) such security or indemnity
23 as may be required by Reorganized Fountain View to hold it harmless with respect thereto.
24 All equity securities issued under the Plan shall be deemed to be issued subject to the
25 Stockholders' Agreement notwithstanding the failure of any holder thereof to have agreed in
26 writing to be bound by the terms of the Stockholders' Agreement and the securities issued
27 shall be legended with a notation to the effect that such securities are issued subject to the
28 terms and restrictions, including restrictions on transfer, set forth in the Stockholders'

1 Agreement as well as any restrictions on transfer imposed by applicable securities law.

2 Securities issued in accordance with the Plan will not be registered pursuant to
3 the Securities Act of 1933. Such securities are issued pursuant to the exemption from the
4 registration requirements of the Securities Act of 1933 under Code section 1145.

5 **d. Undeliverable and Unclaimed Distributions.**

6 If the distribution to the holder of any Allowed Claim is returned to the
7 Disbursing Agent as undeliverable, no further distribution shall be made to such holder
8 unless and until the Disbursing Agent is notified in writing of such holder's then current
9 address. Subject to the other provisions of the Plan, undeliverable distributions shall remain
10 in the possession of the Disbursing Agent pursuant to this Section until such time as a
11 distribution becomes deliverable. The Disbursing Agent will hold undeliverable cash
12 distributions in an unsegregated, interest-bearing bank account for the benefit of the entities
13 entitled to the distributions. These entities will be entitled to any interest actually earned on
14 account of the undeliverable distributions. The bank account will be maintained in the name
15 of the Disbursing Agent, but it will be accounted for separately.

16 Notwithstanding any otherwise applicable laws regarding unclaimed
17 distributions including the law of escheat, any holder of an Allowed Claim who does not
18 assert a claim in writing for an undeliverable distribution held by the Disbursing Agent
19 within one year after the Effective Date shall no longer have any claim to or interest in such
20 undeliverable distribution, and shall be forever barred from receiving any distributions under
21 this Plan, or from asserting a Claim against the Debtors, the Estates, the Reorganized
22 Enterprise, the Claims Agent, the Indenture Trustee or their respective property, and the
23 Claim giving rise to the undeliverable distribution will be discharged.

24 Any undeliverable distributions that are not claimed under this Section will be
25 retained by or returned to Reorganized Fountain View, free from any restrictions thereon.
26 Nothing contained in the Plan shall require the Debtors, the Estates, the Disbursing Agent,
27 the Reorganized Enterprise, the Claims Agent, or the Indenture Trustee, as the case may be,
28 to attempt to locate any holder of an Allowed Claim.

1 This section V.H.4.d shall not apply to the Class 8 Claims, the distributions on
2 account of which shall be made in their entirety to the Agent upon the Effective Date or the
3 date upon which the Class 8 Claims shall become Allowed Claims.

4 **J. Cancellation of Interests.**

5 On the Effective Date, all Interests in the Debtors other than Fountain View,
6 Inc., Summit Care Pharmacy, Inc., and the Other Reorganized Debtors will be deemed
7 cancelled or extinguished pursuant to Section IV.A hereof.

8 **K. Full Satisfaction.**

9 The Disbursing Agent shall make, and each holder of a Claim shall receive, the
10 distributions provided for in the Plan in full satisfaction and discharge of such Claim.

11 **L. Compliance With Tax Requirements.**

12 The Disbursing Agent shall comply with all withholding and reporting
13 requirements imposed on it by governmental units, and all distributions pursuant to the Plan
14 shall be subject to such withholding and reporting requirements, if any.

15 **M. Setoff, Recoupment and Other Rights.**

16 Notwithstanding anything to the contrary contained in the Plan, the
17 Reorganized Enterprise may, but shall not be required to, setoff, recoup, assert
18 counterclaims, or withhold against the distributions to be made pursuant to this Plan on
19 account of any Allowed Claim, any claims that the Debtors, the Estates, and the Reorganized
20 Enterprise may have against the entity holding the Allowed Claim; provided, however, that
21 neither the failure to effect such a setoff or recoupment, nor the allowance of any Claim
22 against the Debtors, the Estates, and the Reorganized Enterprise, nor any partial or full
23 payment during the Reorganization Cases or after the Effective Date in respect of any
24 Allowed Claim, shall constitute a waiver or release by Debtors, the Estates, and the
25 Reorganized Enterprise of any claim that they may possess against such holder.

26 **N. Dissolution of the Debtors other than Fountain View, Inc., Summit Care**
27 **Pharmacy, Inc., and the Other Reorganized Debtors.**

28 As of the Effective Date, the Debtors other than Fountain View, Inc., Summit

Care Pharmacy, Inc., and the Other Reorganized Debtors (i) will be dissolved or merged; (ii) their assets distributed to the Reorganized Enterprise as provided for in this Plan and the Corporate Restructuring Plan; and (iii) their liabilities will be discharged except as otherwise provided for in this Plan. The Reorganized Enterprise is authorized to file all documents and instruments necessary to effectuate dissolution of any of the Debtors in accordance with otherwise applicable law.

O. Conditions to Effectiveness of the Plan.

1. Conditions.

The Plan shall not become binding unless and until the Effective Date occurs. The Effective Date is the first Business Day that, as determined by Debtors in their reasonable discretion, is a Business Day (i) that is at least eleven days after the Confirmation Date; (ii) on which no stay of the Confirmation Order is in effect; and (iii) on which all of the following conditions have been satisfied or waived by Debtors in writing:

a. The Confirmation Order shall be entered in a form reasonably acceptable to the Debtors and the lenders providing the Exit Facility;

b. All the conditions to the execution and enforceability of the Exit Facility Closing Documents and the Corporate Restructuring Closing Documents shall have been satisfied or waived and the Exit Facility lenders shall have funded the Exit Facility;

c. The Claims Agent shall have been duly appointed and qualified to serve and all the conditions to the execution and enforceability of the General Claim Holder Agency Agreement (which shall be in a form reasonably acceptable to the Debtors and the Creditors' Committee) have been satisfied or waived; and

d. The indenture trustee for the New Public Notes shall have been duly appointed and qualified to serve under the indenture governing the New Public Notes (which shall be in a form reasonably acceptable to the Debtors and the Noteholders' Committee).

2. Waiver of Conditions.

The requirement that the conditions to the occurrence of the Effective Date, as specified in Section IV.O.1, above, be satisfied may be waived in whole or in part, and the

1 time within which any such conditions must be satisfied may be extended, in writing by the
2 Debtors or, in the case of Section IV.O.1.c and IV.O.1.d above, with the consent of the
3 Creditors' Committee and the Noteholders' Committee, respectively. To be effective, such
4 written waiver or extension must be filed with the Court. The failure to satisfy or waive any
5 of such conditions may be asserted by the Debtors regardless of the circumstances giving rise
6 to the failure of such condition to be satisfied, including any action or inaction by the
7 Debtors. The failure of the Debtors to exercise any of the foregoing rights shall not be
8 deemed a waiver of any other rights and each such right shall be deemed ongoing and
9 assertable at any time.

10 **V.**

11 **MISCELLANEOUS PROVISIONS**

12 **A. Limitations of Liability.**

13 **1. For Solicitation or Participation.**

14 Pursuant to section 1125(e) of the Bankruptcy Code, entities that solicit
15 acceptances or rejections of the Plan and/or that participate in the offer, issuance, sale, or
16 purchase of securities offered or sold under the Plan, in good faith and in compliance with
17 the applicable provisions of the Bankruptcy Code, shall not be liable, on account of such
18 solicitation or participation, for violation of any applicable law, rule, or regulation governing
19 the solicitation of acceptances or rejections of the Plan or the offer, issuance, sale, or
20 purchase of securities.

21 **2. For Actions in Connection with Plan and Related Matters.**

22 To the maximum extent permitted by law, none of the Debtors, the Estates, the
23 Reorganized Enterprise, the Committees, or any of their employees, officers, directors,
24 attorneys, agents, members, or representatives, or professional advisors employed or retained
25 by any of them, whether or not pursuant to a Final Order of the Court, shall have or incur any
26 liability to any entity for any act taken or omission made in good faith in connection with or
27 related to formulating, implementing, or confirming the Plan, the Disclosure Statement, or
28 any contract, instrument, release, or other agreement or document created in connection with

1 the Plan.

2 **3. No Admissions.**

3 Notwithstanding anything to the contrary in the Plan, if the Plan is not
4 confirmed or the Effective Date does not occur, the Plan will be null and void, and nothing
5 contained in the Plan or the Disclosure Statement will: (i) be deemed to be an admission by
6 any Debtor with respect to any matter set forth in the Plan, including, without limitation,
7 liability on any Claim or the propriety of any Claim's classification; (ii) constitute a waiver,
8 acknowledgment, or release of any Claims by or against, or any Interests in, any Debtor; or
9 (iii) prejudice in any manner the rights of the Debtors, the Estates, or any creditors in any
10 further proceedings.

11 **B. Dissolution of Committees.**

12 On the Effective Date, the Committees and any other committee appointed
13 pursuant to Bankruptcy Code section 1102 shall be released and discharged from the rights
14 and duties arising from or related to the Reorganization Cases, except with respect to final
15 applications for professionals' compensation and objections thereto. The professionals
16 retained by the Committees and any other committee appointed pursuant to Bankruptcy Code
17 section 1102 and the members thereof shall not be entitled to compensation or
18 reimbursement of expenses for any services rendered or expenses incurred after the Effective
19 Date, except for services rendered and expenses incurred in connection with any applications
20 by such professionals or committee members for allowance of compensation and
21 reimbursement of expenses pending on the Effective Date or timely Filed after the Effective
22 Date as provided in the Plan and objections thereto, as approved by the Court.

23 **C. Exemption from Certain Transfer Taxes.**

24 In accordance with Bankruptcy Code section 1146(c), neither the issuance,
25 transfer, exchange of a security, nor the delivery of an instrument of transfer under this Plan
26 or the Corporate Restructuring Plan shall be taxed under any law imposing a stamp or similar
27 tax. The Confirmation Order shall direct all governmental officials and agents to forego the
28 assessment and collection of any such tax or governmental assessment and to accept for

1 filing and recordation any of the foregoing instruments or other documents without payment
2 of such tax or other governmental assessment.

3 **D. Modifications of the Plan.**

4 Subject to the conditions and terms of the Exit Facility Closing Documents and
5 restrictions set forth in Code section 1127, the Debtors and Reorganized Fountain View
6 reserve the right to alter, amend, or modify the Plan before its substantial consummation.

7 **E. Revocation of the Plan.**

8 The Debtors reserve the right to revoke or withdraw the Plan prior to the
9 Confirmation Date. If the Plan is not confirmed or the Effective Date does not occur—either
10 because the Debtors revoked or withdrew the Plan or for any other reason—the Plan will be
11 null and void, and nothing contained in the Plan or the Disclosure Statement will: (i) waive
12 or release any Claims by or against, or any Interests in, the Debtors; or (ii) prejudice in any
13 manner any rights that the Debtors, the Estates, or any creditors or equity security holders
14 have in any further proceedings.

15 **F. Post-Effective Date Effect of Evidences of Claims or Interests.**

16 Except as otherwise provided in the Plan, commencing on the Effective Date,
17 notes, stock certificates, warrants, and other evidences of Claims against, or Interests in, a
18 Debtor will represent only the right to receive the distributions contemplated under the Plan.

19 **G. Nonapplicability of Local Rule 3020-1(2).**

20 Neither the Debtors nor the Reorganized Enterprise will be required to comply
21 with Local Bankruptcy Rule 3020-1(2), which otherwise requires the filing of certain status
22 reports after the Confirmation Date, or otherwise file reports after the Confirmation Date
23 with the Court, except as expressly provided in the Confirmation Order.

24 **H. Successors and Assigns.**

25 The rights, benefits, and obligations of any entity named or referred to in this
26 Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator,
27 successor, or assign of such entity.
28

1 **I. Saturday, Sunday, or Legal Holiday.**

2 If any payment or act under the Plan is required to be made or performed on a
3 day that is not a Business Day, then the payment or act may be completed on the next day
4 that is a Business Day, in which event the payment or act will be deemed to have been
5 completed on the required day.

6 **J. Governing Law.**

7 Unless a rule of law or procedure is supplied by (i) federal law (including the
8 Bankruptcy Code and Bankruptcy Rules), or (ii) an express choice of law provision in any
9 agreement, contract, instrument, or document provided for, or executed in connection with,
10 the Plan, the rights and obligations arising under the Plan and any agreements, contracts,
11 documents, and instruments executed in connection with the Plan shall be governed by, and
12 construed and enforced in accordance with, the laws of the State of California without giving
13 effect to the principles of conflict of laws thereof.

14 **K. Severability of Plan Provisions.**

15 If, before confirmation, the Court holds that any Plan term or provision is
16 invalid, void, or unenforceable, the Court may alter or interpret that term or provision so that
17 it is valid and enforceable to the maximum extent possible consistent with the original
18 purpose of that term or provision. That term or provision will then be applicable as altered
19 or interpreted. Notwithstanding any such holding, alteration, or interpretation, the Plan's
20 remaining terms and provisions will remain in full force and effect and will in no way be
21 affected, impaired, or invalidated. The Confirmation Order will constitute a judicial
22 determination providing that each Plan term and provision, as it may have been altered or
23 interpreted in accordance with this Section, is valid and enforceable under its terms.

24 **L. Application of Code Section 1145.**

25 The exemption from the requirements of Section 5 of the Securities Act of
26 1933, 15 U.S.C. § 77e, and any state or local law requiring registration or qualification for
27 the offer or sale of a security, provided under Bankruptcy Code section 1145, shall apply to
28 the securities distributed under the Plan.

VI.

EFFECT OF CONFIRMATION OF THE PLAN

A. Discharge and Injunction.

The rights afforded in the Plan and the treatment of all Claims and Interests herein shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and Interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtors, the Reorganized Enterprise, and any of their property; and holders of Claims or Interests are not allowed to enforce their rights with respect to prepetition Claims or Interests outside the terms of the Plan. Except as otherwise provided in the Plan or the Confirmation Order, on the Effective Date: (i) the Debtors, the Estates, the Reorganized Enterprise, and their property shall be deemed discharged and released to the fullest extent permitted by section 1141 of the Code from all Claims and Interests, including, demands, liabilities, Claims, and Interests that arose before the Confirmation Date and all debts of the kind specified in Code sections 502(g), 502(h), or 502(i), regardless of whether or not (a) a proof of Claim or Interest based on such debt or Interest is filed or deemed filed; (b) a Claim or Interest based on such debt or Interest is allowed pursuant to section 502 of the Code; or (c) the holder of a Claim or Interest based on such debt or Interest has or has not accepted the Plan; and (ii) all entities shall be precluded from asserting against the Debtors, the Estates, the Reorganized Enterprise, and their property any other or further Claims or Interests based upon any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Confirmation Date.

Except as otherwise provided in the Plan or the Confirmation Order, the Confirmation Order shall act as a discharge of any and all Claims against and all debts and liabilities of the Debtors, as provided in sections 524 and 1141 of the Code, and such discharge shall void any judgment against any of the Debtors obtained at any time to the extent that such judgment is a determination of the personal liability of any of the Debtors.

Except as otherwise provided in the Plan or the Confirmation Order, on and after the Effective Date, all entities who have held, currently hold, or may hold a debt,

1 Claim, or Interest discharged pursuant to the terms of the Plan are permanently enjoined
2 from taking any of the following actions on account of any such discharged debt. Claim, or
3 Interest: (i) commencing or continuing in any manner any action or other proceeding against
4 the Debtors, the Estates, the Reorganized Enterprise, or their property in any manner, in any
5 place that does not comply with or is inconsistent with the provisions of the Plan, the ADR
6 Procedures, or the Confirmation Order; (ii) enforcing, attaching, collecting, or recovering in
7 any manner any judgment, award, decree, or order against the Debtors, the Estates, the
8 Reorganized Enterprise, or their property; (iii) creating, perfecting, or enforcing any lien or
9 encumbrance against the Debtors, the Estates, the Reorganized Enterprise, or their property
10 to enforce a claim that arose preconfirmation; (iv) terminating or canceling any Resident
11 Agreement on account of its assumption or assignment hereunder; (v) asserting any setoff,
12 right of subrogation, or recoupment of any kind (other than as expressly provided by the Plan
13 with respect to claims of setoff preserved pursuant to section 553 of the Code) against any
14 obligation due to the Debtors, the Estates, the Reorganized Enterprise, or their property; (vi)
15 enforcing any contractual or legal right of subordination inconsistent with the terms of the
16 Plan; and (vii) commencing or continuing any action, in any manner, in any place that does
17 not comply with or is inconsistent with the provisions of the Plan, the ADR Procedures,
18 or the Confirmation Order. Any entity injured by any willful violation of such injunction
19 shall recover actual damages, including costs and attorneys' fees, and, in appropriate
20 circumstances, may recover punitive damages, from the willful violator.

21 **B. Payment of Statutory Fees.**

22 The Disbursing Agent shall pay all fees due under 28 U.S.C. § 1930 in
23 accordance with Section II.B.1 of the Plan.

24 **C. Retention of Jurisdiction.**

25 Notwithstanding the entry of the Confirmation Order or the occurrence of the
26 Effective Date, the Court shall retain jurisdiction over the Reorganization Cases after the
27 Effective Date to the fullest extent provided by law, including the jurisdiction to:

- 28 1. Allow, disallow, determine, liquidate, classify, establish the priority or

1 secured or unsecured status of, estimate, or limit any Claim, Interest, or Administrative
2 Claim, and with respect to Claims based on personal injury or wrongful death, continue to
3 enforce the ADR Procedures;

4 2. Rule on applications for allowance of compensation or reimbursement
5 of expenses authorized pursuant to the Code or the Plan, for periods ending on or before the
6 Effective Date;

7 3. Resolve any motions pending on the Effective Date to assume, assume
8 and assign, or reject any executory contract or unexpired lease to which any of the Debtors is
9 a party or with respect to which any of the Debtors may be liable and to hear, determine and,
10 if necessary, liquidate, any and all Claims arising therefrom;

11 4. Ensure that distributions to holders of Allowed Claims, Administrative
12 Claims, and Interests are accomplished pursuant to the provisions of the Plan;

13 5. Resolve any and all applications, motions, adversary proceedings, and
14 other matters involving the Debtors that may be pending on the Effective Date or that may be
15 instituted thereafter in accordance with the terms of the Plan;

16 6. Enter such orders as may be necessary or appropriate to implement or
17 consummate the provisions of the Plan and all contracts, instruments, releases, and other
18 agreements or documents entered into in connection with the Plan;

19 7. Resolve any and all controversies, suits, or issues that may arise in
20 connection with the consummation, interpretation, or enforcement of the Plan or any person's
21 rights or obligations in connection with the Plan;

22 8. Modify the Plan before or after the Effective Date pursuant to Code
23 section 1127, or modify the Disclosure Statement or any contract, instrument, release, or
24 other agreement created in connection with the Plan or Disclosure Statement; or remedy any
25 defect or omission or reconcile any inconsistency in any order of the Court, the Plan, the
26 Disclosure Statement, or any contract, instrument, release, or other agreement or document
27 created in connection with the Plan or Disclosure Statement, in such manner as may be
28 necessary or appropriate to consummate the Plan, to the extent authorized by the Code;

1 9. Issue injunctions, enter and implement other orders, or take such other
2 actions as may be necessary or appropriate to enforce the Plan or restrain interference by any
3 entity with consummation or enforcement of the Plan;

4 10. Enter and implement such orders as are necessary or appropriate if the
5 Confirmation Order is for any reason modified, stayed, reversed, revoked, or vacated;

6 11. Determine any other matters that may arise in connection with or relate
7 to the Plan, the Disclosure Statement, the Confirmation Order, the Avoiding Actions or any
8 contract, instrument, release, or other agreement or document created in connection with the
9 Plan, Plan Supplement or the Disclosure Statement or approved by the Court; and

10 12. Enter an order closing the Reorganization Cases.

11 If the Court abstains from exercising jurisdiction or is otherwise without
12 jurisdiction over any matter, this Section shall have no effect upon and shall not control,
13 prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction
14 with respect to such matter.

VII.

RECOMMENDATION AND CONCLUSION

The Debtors believe that Plan confirmation and implementation are preferable to any feasible alternative because the Plan will maximize the value of the Estates. Creditors will receive payment in full of their Allowed Claims and preferred and common shareholders in Classes 14, 15, 17, and 18 will receive equity interests in Reorganized Fountain View in exchange for their Interests.

Chapter 11

**MODIFICATION OF DEBTORS'
THIRD AMENDED JOINT PLAN
OF REORGANIZATION DATED
APRIL 22, 2003**

Hearing Held:

Date: July 10, 2003
Time: 11:00 a.m.
Place: Courtroom 1475
Roybal Federal Building
255 E. Temple Street
Los Angeles, CA 90012

Fountain View, Inc. and its 22 chapter 11 affiliates, the debtors and debtors in possession in the above-captioned, jointly administered chapter 11 cases (the "Debtors") hereby modify the *Debtors' Third Amended Joint Plan Of Reorganization Dated April 22, 2003* (as further amended, the "Plan")¹ as follows:

1. The Debtors modify the definition of Ordinary Course Administrative Claims in Section I (Definitions) of the Plan to include Administrative Tax Claims. Accordingly, the definition of Ordinary Course Administrative Claims will now provide as follows:

"Ordinary Course Administrative Claims" means any Administrative Tax Claims and any Administrative Claim arising from the provision of goods or services to the Debtors in the ordinary course of business of the Debtors and the provider of goods or services after the Petition Date and before the Effective Date.

2. The Debtors modify the treatment of Claims in Class 3 (Secured Tax Claims) to provide that such treatment leaves unaltered all other legal, equitable, and contractual rights of such holders with respect to such Allowed Class 3 Claims. In addition, the second romanette (ii) is modified to romanette (iii) to conform to the appropriate numbering sequence. Accordingly, the treatment of Claims in Class 3 will now provide as follows:

Treatment: Unless the holder of an Allowed Class 3 Claim agrees to other treatment, (A) the Disbursing Agent shall pay to such holder cash in the allowed amount of such holder's Class 3 Allowed Claim on the latest of (i) as soon as reasonably practicable after the Effective Date; (ii) 30 days after the date on which the Secured Tax Claim becomes an Allowed Secured Tax Claim; or (iii) the date such Allowed Secured Tax Claim becomes due and payable in accordance with its terms, or (B) the holder of a Claim in Class 3 shall retain unaltered all other legal, equitable, and contractual rights of such holder with respect to such Class 3 Allowed Claim.

EXHIBIT 2 PAGE 97

¹ All capitalized terms not defined herein shall have the meaning ascribed to them in the Plan.

1 3. The Debtors modify the definition of ADR Procedures in Section I
2 (Definitions) of the Plan to provide that the injunction implementing the ADR procedures in
3 furtherance of the discharge provisions of section 1141(d) of the Bankruptcy Code shall (i)
4 not extend to the commencement or continuation of litigation against bona fide third party
5 defendants not affiliated with the Debtors or the Reorganized Enterprise, and (ii) expressly
6 reference the discharge provisions of section 1141(d) as the statutory basis for an injunction
7 implementing the ADR Procedures. Accordingly, the definition of ADR Procedures will
8 now provide:

9 **"ADR Procedures"** means those procedures (as they may be
10 modified by the Plan and Confirmation Order) supplementing the
11 Claims adjudication procedures set forth in the Code and the
12 Bankruptcy Rules for the liquidation of professional liability
13 Claims established by the *Order Establishing Alternative Dispute*
14 *Resolution Procedures* (the "ADR Order") entered on the Court's
15 official docket on June 17, 2002. Pursuant to the ADR
16 Procedures, and in furtherance of the discharge provisions of
17 section 1141 of the Bankruptcy Code and the Plan, all holders of
18 prepetition personal injury or wrongful death claims and their
19 attorneys, agents, employees, servants, and successors are
20 enjoined from proceeding against the Debtors and any successors
21 (including the Estates and the Reorganized Enterprise), or any
22 defendant or defendants related to the Debtors or the Reorganized
23 Enterprise with respect to such claims and their insurers.
24 Notwithstanding anything else to the contrary in the Plan, the
25 injunction implementing the ADR Procedure shall not prevent the
26 commencement or continuation of litigation against bona fide
27 third party defendants not affiliated with the Debtors or the
28 Reorganized Enterprise. The Debtors' primary and excess
insurance carriers are also obligated to participate in good faith in
the mediations provided for by the ADR Procedures. Those
parties that submit to the ADR Procedures agree to participate in
negotiations and mediate with the Debtors to attempt to reach a
settlement. The Plan provides for the Court to enter an injunction
pursuant to the Confirmation Order, providing that the
commencement or continuation of all personal injury or wrongful
death actions will be enjoined from proceeding except in
conformity with the ADR Procedures (or, as applicable, the
Code's claim adjudication process). Pursuant to the Plan and the
Confirmation Order, the ADR Procedures will apply to all
personal injury or wrongful death actions that are based on Claims

that arose prior to the Confirmation Date. Relief from the injunction implementing the ADR Procedures and established by the Confirmation Order will not be granted unless (i) both the entity seeking relief from the injunction and the Reorganized Enterprise certify in writing that they have attempted to settle their dispute in good faith pursuant to the ADR Procedures, and, notwithstanding the completion of the ADR Procedures, they have failed to reach a settlement; or (ii) the entity seeking relief from the injunction established by the Confirmation Order otherwise establishes good cause not to follow the ADR Procedures under the circumstances of the particular case.

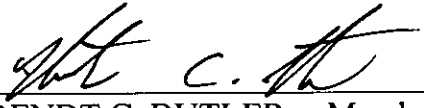

4. The Debtors modify Section V.A.2 (For Actions in Connection with Plan and Related Matters) to add additional entities to the provisions of that Section and to limit the applicability that Section to acts or omissions only up to the date of the entry of the Confirmation Order. Accordingly, Section V.A.2 of the Plan will now provide:

To the maximum extent permitted by law, none of the Debtors, the Estates, the Reorganized Enterprise, the Agent, the Lenders, the Exit Lenders or their predecessors in interest, the Creditors' Committee, the Noteholders' Committee or any of their respective members, officers, directors, employees, advisors, professionals or agents shall have or incur any liability to any holder of a Claim or Interest for any act or omission, from the beginning of time up to the Confirmation Date in connection with, related to, or arising out of the Reorganization Cases, the pursuit of confirmation of the Plan, or the consummation of the Plan, except for willful misconduct or gross negligence, and in all respects, the Debtors, the Estates, the Reorganized Enterprise, the Agent, the Lenders or their predecessors in interest, the Creditors' Committee, the Noteholders' Committee, and each of their respective members, officers, directors, employees, advisors, professionals or agents shall be entitled to rely on the advice of their respective counsel with respect to their duties and responsibilities under the Plan.

PLEASE TAKE FURTHER NOTICE that at the Confirmation Hearing scheduled for July 10, 2003 at 11:00 a.m. before the Honorable Sheri Bluebond, United States Bankruptcy Judge, Courtroom 1475, Roybal Federal Building, 255 E. Temple Street, Los Angeles, CA 90012, the Debtors will request that the Court find that the preceding modifications comply with Bankruptcy Code section 1127(a) and do not adversely change

1 the treatment of the Claim or Interest of any holder who has not accepted such modification
2 in writing.

(ii) The Court allows the Claim by Final Order.

The Reorganized Enterprise or any other party in interest may File an objection to such request for payment within the time provided by the Bankruptcy Rules or within any other period that the Court establishes. Entities holding Non-Ordinary Course Administrative Claims that do not timely File and serve a request for payment will be forever barred from asserting those Claims against the Debtors, the Estates, the Reorganized Enterprise, or their respective property.
