

# STRAUS INSTITUTE FOR DISPUTE RESOLUTION 2016 FALL COURSE SCHEDULE

## NOTICES

### ADVANCE ASSIGNMENTS FOR INTENSIVE COURSES

A class syllabus including any advance reading and/or writing assignments for intensive classes will be emailed to students 3-4 weeks prior to the start of class. Please note that it is each student's responsibility to review the syllabus well before the class begins and complete any advance assignments. Students who show up the first day unprepared risk being dropped from the class.

### RESCHEDULING EXAMS

While most Straus classes will require a final paper instead of a final exam, it is important for everyone to be aware of the exam rescheduling policy in the event you enroll in one or more classes with a final exam. Students may not petition to reschedule a final exam unless two final exams are to be taken on the same day. Therefore, it is important for you to pay attention to the final exam schedule when you are selecting your courses. Petitions to change one of two exams scheduled for the same day must be filed by the seventh week of classes. For additional details concerning the law school final exam policies go to <http://law.pepperdine.edu/academics/policy/>.

### EXTERNSHIP ENROLLMENT

Students cannot register for externships through WaveNet. All students are required to have their externship placement confirmed before they can register for the externship. Please submit an add/drop registration form <http://law.pepperdine.edu/current-students/content/registration-adddrop.pdf> to Joanna Reese at [joanna.reese@pepperdine.edu](mailto:joanna.reese@pepperdine.edu) or (310) 506-4437 together with the placement information form <http://law.pepperdine.edu/straus/content/placementform.2014.pdf>. All externships should be completed within the semester registered unless prior permission has been granted for extended time. A full description of the externship requirements are available on our web site at: <http://law.pepperdine.edu/straus/academic-programs/externships/current-students.htm>.

### LL.M. INDEPENDENT STUDY ENROLLMENT

Students needing to enroll in a required LL.M. Independent Study Project need to speak with Professor Sarah Park prior to enrolling.
