recognized as the premier program in dispute resolution.

SEE STRAUS.PEPPERDINE.EDU

LEADERSHIP FOR ATTORNEYS IN BUSINESS

A unique program through which participants learn to apply their legal expertise to help companies achieve their objectives. Attendees also learn to be trusted advisers and organizational leaders by understanding and thinking about business issues the way business decision makers do.

A VALUABLE LEARNING EXPERIENCE IN:

- » Offering legal advice that enables the achievement of business goals
- » Understanding financial reporting and the financial impact of legal advice
- » Working effectively with interdisciplinary teams and internal clients
- » Building relationships with key decision makers and framing advice for maximum impact
