

# STRAUS INSTITUTE FOR DISPUTE RESOLUTION 2014 SPRING COURSE SCHEDULE

## NOTICES

### RESCHEDULING EXAMS

While most Straus classes will require a final paper instead of a final exam, it is important for everyone to be aware of the exam rescheduling policy in the event you enroll in one or more classes with a final exam. Students may not petition to reschedule a final exam unless two final exams are to be taken on the same day. Therefore, it is important for you to pay attention to the final exam schedule when you are selecting your courses. Petitions to change one of two exams scheduled for the same day must be filed by the seventh week of classes. For additional details concerning the law school final exam policies go to <http://law.pepperdine.edu/academics/policy/>.

### ADVANCE ASSIGNMENTS FOR INTENSIVE WEEKEND COURSES

A class syllabus including any advance reading and/or writing assignments for intensive classes will be emailed to students 3-4 weeks prior to the start of class. Please note that it is each student's responsibility to review the syllabus well before the class begins and complete any advance assignments. For intensive classes starting early in the semester, students should expect to receive the syllabus over the holiday break. Students who show up the first night of class unprepared risk being dropped from the class.
